Hi. My name is Lee Bender, Founder/CEO of N.B.A., an anti-bullying Clothing Line. Our goal is to raise awareness of the violence and suicide that stems from bullying and encourage community participation in this effort.

We produce our own original anti-bullying t-shirts and safety vests with our No Bullying Allowed Logo, which we sale to help support the organization. Donations are also accepted.

Help spread awareness on no bullying. We can assist you and your neighbors on holding No-Bullying Rallies. Contact 619-547-5850 or benderlee26@gmail.com for further information.
